

Toilet Training Information

Signs Children are Ready for Toilet Training

Pulling Nappy if wet. Starting to dress and undress themselves.

Using Language such as "I Wet".

Showing interest and watching family members use the toilet

What You May Need

Underwear or training underwear

Enough pants, shorts, skirts, or dresses to change into when accidents occur

Cleaning products because they will have accidents, it is only natural.

You may choose to buy a potty, step stool, toilet training seat or an all-in-one toilet training system.

Tips

- Stay positive
- Take your child to the toilet at strategic intervals such as when they wake up, before bed, before leaving the house
